Malt Beverage Manufacturers and Limited Use Retail Permit

Pursuant to R.S. 26:273C holders of a valid Louisiana Malt Beverage Manufacturer Permit, located entirely within the state of Louisiana, may obtain a Class A retail permit if the holder of the Malt Beverage Manufacturer Permit applies for and meets all qualifications for a Class A retail permit as set out in R.S. 26:271 and 271.2. Class A retail permits issued pursuant to the provisions of this subsection are subject to the following limitations:

1. The manufacturer shall only make retail sales of products brewed by the manufacturer at the brewing facility holding the retail permit.
2. The manufacturer is only authorized to make retail sales at the licensed premises where the malt beverages are brewed.
3. Retail sales to visitors of the brewing facility shall only be for personal consumption by said visitors. However, the retail sales may be made to visitors of the facility for consumption on the licensed premises and to visitors in appropriately sealed containers for consumption off the licensed premises.
4. The total amount of retail sales by the manufacturer for any given month shall not exceed ten percent of the total amount of all beverages produced on the licensed premises for that month.
5. The manufacturer shall obtain all local retail permits required by the municipal or parish governing authority.
6. The manufacturer shall remit all applicable state and local taxes resulting from retail sales made at the licensed premises.
7. A manufacturer holding a retail permit pursuant to this subsection shall comply with the terms of the Louisiana Responsible Vendor Program.
8. A legal entity holding a malt beverage manufacturer permit shall not be authorized to obtain more than one Class A retail permit.
