#### **Message of Importance to All Applicants:**

Although the state has 35 days to investigate and review all applications, we would like to assure you that it is our goal to issue your permit as quickly as possible. Typically, licensing delays are a result of applicants not carefully reading and completing the application packet or not submitting all required documentation. There are no exceptions to the statutory requirements to obtain an alcoholic beverage permit. As such, please help us in permitting your business quickly by ensuring that you have carefully reviewed the application packet and supplied all necessary documentation. **Please use the enclosed checklist and instructions** to guide you through the application process and feel free to contact us at the number above for additional guidance.

**Who Must Complete This Application:** Any person, corporation, partnership, LLC or other organization shall complete this application and obtain a permit before selling, offering for sale, serving, storing, handling or otherwise engaging in any business transaction related to alcoholic beverages. **Note:** Louisiana issues permits per location; thus a separate alcoholic beverage application (with a separate address) and permit is required for **each** "place of business."

## A Note from the Louisiana Office of Alcohol & Tobacco Control

As the agency tasked with regulating alcoholic beverage and tobacco commodities, one of our main goals here at ATC is to promote awareness and understanding throughout the industry of the Alcoholic Beverage and Tobacco Laws and Regulations. As such, we feel that it may be helpful to provide you with a few commonly un-known or misunderstood provisions of law. Please read the following.

- Licensed Louisiana retail dealers of alcohol and tobacco products can only purchase their inventory from licensed Louisiana wholesale dealers.
- 6% price mark-up provisions apply to alcohol and tobacco products.
- Permits are issued per location address and only one alcoholic beverage permit can be issued to an address (i.e. you cannot have two classes of permits at one address).
- **Public habitable area** means publicly accessible space, within a structure, which is permanent in nature, is in compliance with applicable building codes, is fully enclosed and climate controlled.
- Employees selling or serving alcoholic beverage and tobacco products must obtain a Responsible Vendor Certification within 45 days of employment.
- Retail dealers are required to maintain alcoholic beverage and tobacco invoices as well as employee records on the licensed premise at all times.
- Managers must be registered and certified by ATC. It is important to supply a Schedule A on all appointed managers.
- ATC is authorized to accept documentation and provide information to anyone registered with a business. As such, it is imperative, for the safety your business information, to maintain current ownership and management records with ATC.
- Smoking is not allowed on any areas of a Class B, C (package stores), or AR premise (restaurant).
- Placing signs provided by wholesalers/suppliers outside your business is prohibited (this also includes utility items such as table umbrellas).
- The sale of single cigarettes is prohibited.

A complete copy of the Alcoholic Beverage and Tobacco laws and regulations can be downloaded from the ATC website at [www.atc.la.gov](http://www.atc.la.gov). We are always happy to assist you with any questions or concerns at (225)925-4041. Additionally, we encourage you to help us promote responsible business practices by reporting violations of the alcoholic beverage and tobacco laws to our complaint line at (225)925-4070.
