UPDATE: RETURN TO REVISED PHASE TWO List of Parishes Approved for Indoor, on Premises Consumption

In accordance with 202 JBE 2020, no bar, with or without LDH food service certificate, including daiquiri shops, breweries and distilleries with taprooms, shall allow for indoor on premises consumption of any food or beverages unless the establishment is located in a parish that qualifies based on the amount of community spread of COVID-19 in the parish. A governing authority of a parish that has a positivity rate of 5% or less for two (2) consecutive weeks, as determined and published by LDH, may choose to affirmatively opt to allow all bars, daiquiri shops, breweries, and distilleries with taprooms to allow indoor, on premises consumption under the parameters referenced below. In the event a parish subsequently exceed 5% positivity rate for two consecutive weeks, the bars in that parish shall cease all indoor, on premises consumption.

As of December 30, 2020, there are no parishes eligible to opt in to indoor on premise consumption for bars.

Establishments located within the above listed parishes may offer indoor service under the following guidelines:

1. Patrons must be seated for tableside service.
2. Waiting areas shall remain closed and limit groups from congregating.
3. Indoor capacity shall be limited to a 25% occupancy rate or fifty (50) people, whichever is less.
4. Outdoor capacity shall be limited to fifty (50) people and only for tableside service.
5. Tables shall be spaced in accordance with SFM social distancing guidelines.
6. All sale and service of alcoholic beverages must cease at 11 P.M.
7. Hours of operation is limited to 8 AM to 11 PM. Establishment must close at 11 PM.
8. No person under the age of twenty-one (21) shall be allowed on to the premises.
9. Indoor live entertainment including live bands, dancing, or live performances remain prohibited.
10. Outdoor live entertainment allowed if conducted within SFM guidelines.
11. Bar games, including but not limited to pool, darts, shuffleboard and cornhole, are prohibited

It is crucial that businesses review and adhere to all guidelines including mandatory mask requirements, live entertainment rules, and strict social distancing rules issued by Governor Edwards, the Office of the State Fire Marshal ("SFM") and the Louisiana Department of Health ("LDH").
