ALCOHOL CLASS A-GENERAL (BAR) APPLICATION

APPLICATION INFORMATION

FOR QUESTIONS ABOUT OR ASSISTANCE WITH THIS APPLICATION CONTACT 225-925-4041

Message of Importance to All Applicants

Although the state has 35 days to investigate and review all applications, we would like to assure you that it is our goal to issue your permit as quickly as possible. Typically, licensing delays are a result of applicants not carefully reading and completing the application or not submitting all required documentation. There are no exceptions to the statutory requirements to obtain an alcoholic beverage permit. As such, please help us in permitting your business quickly by ensuring that you have carefully reviewed the application and supplied all necessary documentation. Please use the enclosed checklist and instructions to guide you through the application process and feel free to contact us at the number above for additional guidance.

Who Must Complete This Application: Any person, corporation, partnership, LLC or other organization shall complete this application and obtain a permit before selling, offering for sale, serving, storing, handling or otherwise engaging in any business transaction related to alcoholic beverages. Note: Louisiana issues permits per location; thus, a separate alcoholic beverage application (with a separate address) and permit is required for each "place of business."
